INTERFAITH HOUSING &  
COMMUNITY SERVICES, INC.

Community Builders give to Interfaith's general fund to support our mission, and in turn the sustainability of the programs we provide. These gifts ensure that Interfaith can continue working to make tangible progress in the lives and communities we serve.

As a Community Builder you will receive our quarterly Blue Prints newsletter which is filled with stories of the lives and communities being changed by your generosity, recognition on both our website and in our annual report, as well as invitations to exclusive events that give you special insight into the work being done in our community. We have five giving levels:

Surveyor \$10-\$24/Month OR \$120-\$299/Year  
 Architect \$25-\$49/Month OR \$300-\$599/Year
